Text of Circular No.10/2016 dt. 14th April, 2016

Dear Comrades

DISCUSSION BETWEEN UFBU & IBA

Yet another round of discussion between UFBU and IBA, over Medical Insurance and Pension related matters, was held in Mumbai on 13th this month. In this round, UFBU pointed out various anomalies, deviations and aberrations in implementation of the Settlement on Medical Insurance and raised various issues relating to improvement in Pension Scheme. While assuring that Banks would be suitably advised and guided to ensure that the Settlement in the matter of Medical Insurance is adhered to and implemented in letter and spirit, IBA insisted that the financial implication of the various demands raised in the matter of Pension needs to be examined further for which they sought some more time to get the data from all member banks; the next round of discussion in the matter, IBA assured, would be held tentatively within May this year. Further developments in the matter will be communicated in due time.

MAY DAY – 2016

The discussion with IBA, as aforesaid, was followed by a meeting of UFBU, participated by the representatives of all the constituents; we (BEFI) were represented by Com C. J. Nandakumar, Com V. Aroskar, our President and Joint Secretary respectively, and the undersigned. Besides discussing issues directly touching upon the interests of Bankmen, the meeting took a serious note of the Central Government's frenzied rush towards merger and privatisation of Public Sector Banks. After threadbare discussion, the meeting decided to intensify the campaign against such ill-advised moves by **observing the MAY DAY this year,**

(see overleaf)

i.e. 01st May 2016, as **ANTI-PRIVATISATION DAY** throughout the country. UFBU will meet again on **11th May, 2016** in Hyderabad to chalk out further agitational programme.

Our units are accordingly advised to observe **ANTI-PRIVATISATION DAY on 01st MAY 2016**, unitedly with other constituents of UFBU, through mass meetings, conventions, seminars, rallies and processions, etc, as may be found feasible and decided upon locally, to mobilise public opinion in the matter. Wherever possible, joint/united programmes, with other like-minded Trade Unions, may also be organised to spread our message of the day amongst the public outside banking fold.

Our units and affiliates are advised to take appropriate initiative in right earnest.

With greetings,

Yours comradely,

(PRADIP BISWAS)
GENERAL SECRETARY
