## Text of BEFI's Circular No. 11/2019 dated 07.03.2019

Dear Comrades,

### **Sub : Workers' Charter adopted by National Convention of Workers**

A National Convention of Workers was held on 5 th March 2019 at Constitution Club Annexe, New Delhi. The Convention was participated by more than thousand workers from the unions affiliated to INTUC, AITUC, HMS, CITU, AIUTUC, TUCC, SEWA, AICCTU, LPF & UTUC and also by representatives from the all India Federations of employees of Banks, Insurance, Defence, Central and State Govt. establishments. BEFI was represented by Com C J Nandakumar, President; the undersigned and Com Sunil Mehendiratta, our CC Member. More than 25 comrades from Delhi also attended the Convention.

The Convention while congratulating the working people of the country for their massive participation in the two days' countrywide strike on 8-9 January 2019 against the anti- people, anti-worker and anti-national policies of the Govt. at the Centre took stock of the present situation. The Convention felt that the country is in deep crisis. All aspects of daily life of common people including the peasants, agricultural workers and other working people are under severe stress. Hard won trade union and labour rights are under attack. The joint trade union movement of the country has been repeatedly raising the issues of concern related to the working class for the last several years concentrating on 12 point charter of demands.

The present Govt. at the Centre, ignoring all these opposition, is stubbornly moving ahead with its neo-liberal economic policies inviting miseries in the lives of the common people. It is clear like day light that the Govt. is working overtime for the benefit of their corporate masters. It is also resorting to authoritarian measures to suppress opposition and resistance to its policies. Social and human rights activists working to safeguard the democratic rights of dalits, minorities and workers are branded as 'anti national', prosecuted leveling false charges and even killed. The Govt. is promoting hatred and animosities as well as encouraging spreading communal venom by various communal organizations. These are meant to divide the workers and other sections of toiling people, disrupt their unity and weaken their struggles against neo-liberal policies.

The country is going to face elections for the 17 th Lok Sabha within a short period from now. It is amply clear that the main ruling party at the centre will not change its pro- corporate policies. The Convention held on 5 th March 2019 reiterated its call of the Convention of 28 th September 2018 for ouster of the Narendra

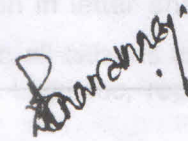

Modi Govt. in the forthcoming general elections and called upon the working class as a whole to campaign for the same throughout the country.

The National Convention unanimously adopted a "Workers Charter" elaborating the demands for reversal of the anti-people policies and calling upon the political parties in opposition to the present regime to include the demands in their manifesto and also commit to work for the same. It is also to be noted that besides issues of other sectors, many burning issues relevant to the banking industry viz. menacing effects of NPA; amalgamation of public sector banks; closure of bank branches; higher service charges and reduction of interest rates on deposits; scrapping of NPS and restoration of Old Pension Scheme; strict implementation of equal pay for equal work; outsourcing of perennial nature of job etc. have found place in the "Workers Charter".

The "Workers Charter" as adopted in the National Convention is appended below. We call upon all state units to take necessary initiative for wide circulation and campaign of the issues among the bank employees as well as entire working people in an organized manner in view of the ensuing Lok Sabha polls.

With greetings,

Yours comradely,

(Debasish Basu Chaudhury)  
General Secretary.
